The screenshot shows the PARTserver website interface. At the top, there is a search bar and navigation links. The main content area features a header with the CAD ENAS logo and a banner for 'Rollen & Räder' (Rolls & Wheels) by TENTE. Below the banner, there are three interactive buttons: 'Sie sind Anwender von Komponenten?' (Are you a user of components?), 'Sie sind Hersteller von Komponenten?' (Are you a manufacturer of components?), and 'Vermissen Sie einen Katalog auf PARTserver?' (Do you miss a catalog on PARTserver?).

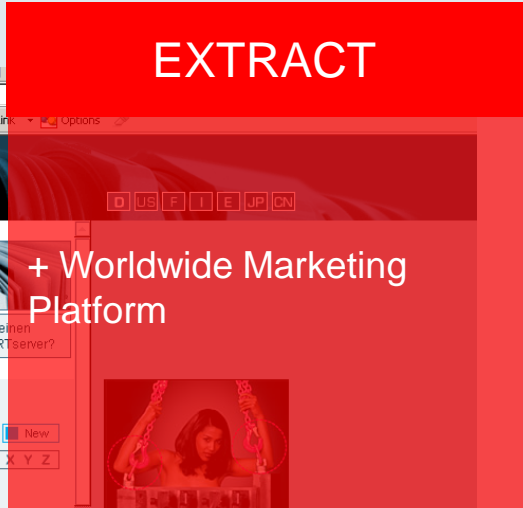

The interface includes a sidebar with a 'Kataloge' (Catalogs) section, a 'TOP LINKS' section, and a 'Geometrische Ähnlichkeitss...' (Geometric Similarity...) section. The main content area displays a grid of product catalogs, each with a color-coded status (Free, Try&Buy, Licenced, Development, Special, New) and a list of catalog names and statuses.

The screenshot shows a web browser window displaying the Autodesk Manufacturing Supplier Content Warehouse. The browser's address bar shows the URL: <http://beta.partcommunity.com/PARTcommunity/User/login?portal=autodesk>. The website header includes the Autodesk logo, the text "Manufacturing Supplier Content Center Content Warehouse", and navigation links for "Logout", "Settings", "Help", "Feedback", and "Preferred Catalog". There are also language selection buttons for "US", "DE", "FR", "IT", and "ES".

The main content area is divided into three sections: "Catalog", "Symbols", and "Details". The "Catalog" section on the left lists various product categories such as "Actuators", "Assembling Technology", "Automation", "Automotive", "Ball And Threaded Spindle Drive", "Bearings", "Belongs", "Belts", "Boxes Storage", "Brakes", "Bushings", "Cable Protection Systems", "Cable Trays", "Casters", "Chains", "Clamp Technology", "Clutches", "Cog Wheels", "Compressed Air Technology", "Connections", "Connectors", "Construction Technology", "Control Technique Cybernetics", and "Cylinders".

The "Symbols" section displays a grid of product images with labels: "Actuators", "Assemblin...", "Assembly...", "Automation", "Automotive", "Ball And...", "Bearings", "Belongs", "Belts", "Boxes Sto...", "Brakes", "Bushings", "Cable Protection Systems", "Cable Pro...", "Cable Tra...", "Casters", and "Chains".

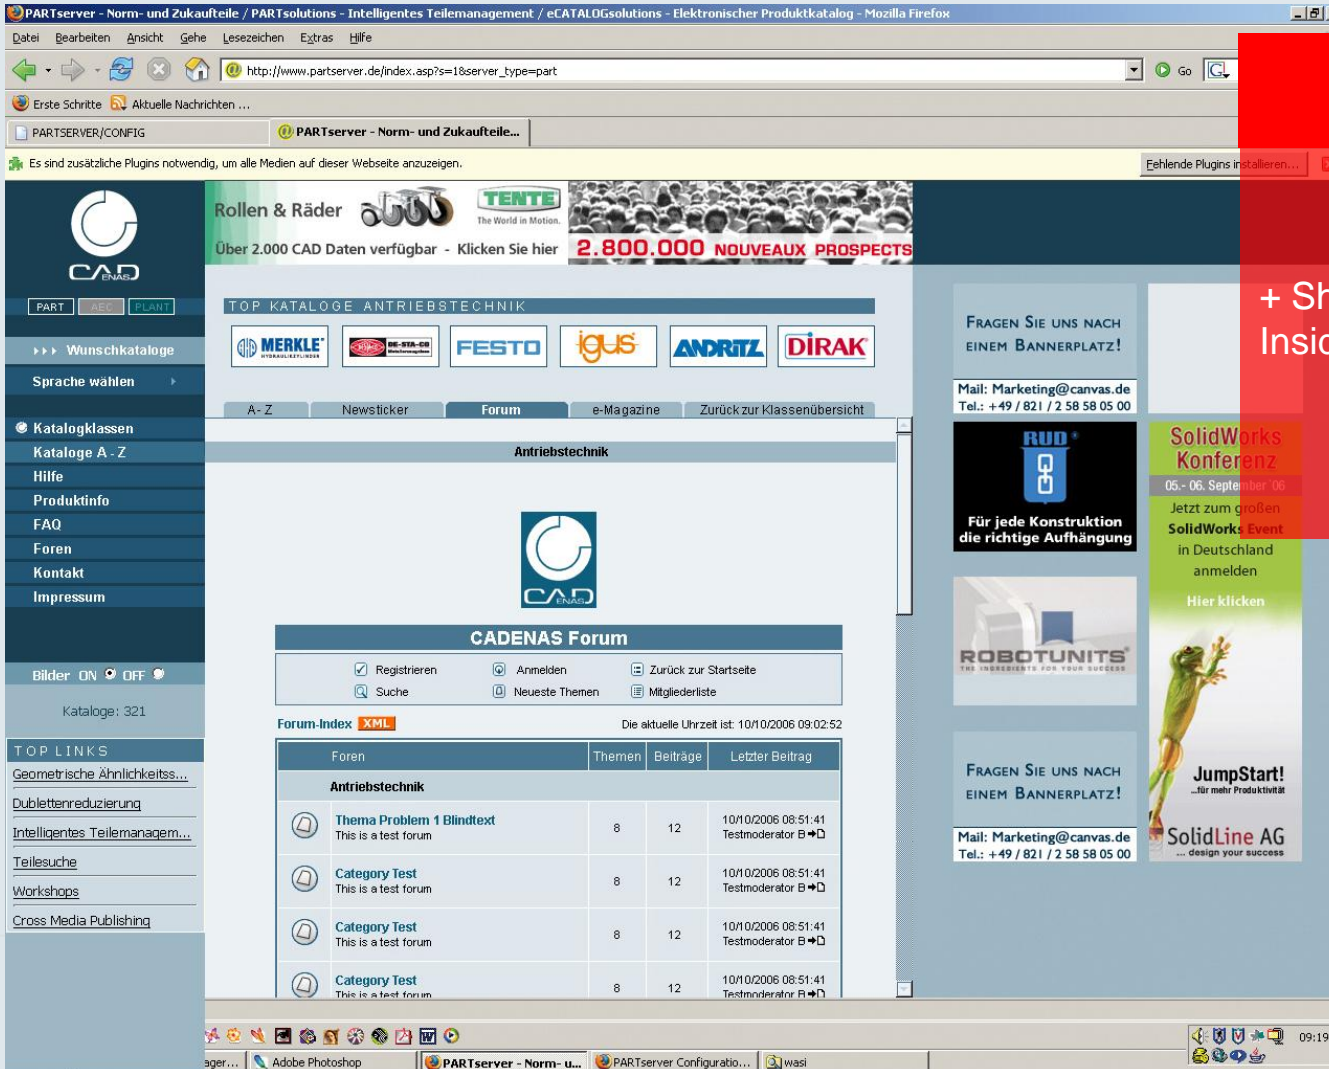

The "Details" section is currently empty. Below the "Symbols" section, there is a "3D" view area showing the CAD ENAS logo. To the right of the "3D" view is a "My Documents" table with columns for "Status", "Name", "Download", and "Date".

| Status | Name | Download | Date |
|-------------------------------------|---------------------------------|----------|------------------|
| <input checked="" type="checkbox"/> | Schrumpfscheiben HSD 220-21x... | | 17:30:36 04.03.2 |
| <input checked="" type="checkbox"/> | Schrumpfscheiben HSD 220-21x... | | 17:30:27 04.03.2 |

Below the "My Documents" table is a "Legend" section with the following items:

- Not generated
- Generating part
- This part is ready for download or will be sent via email
- Error

At the bottom of the page, there is a banner for "Digital Product Catalogs" with the text "Put your company products in this Catalog Library".
